JANOME Sewist 525S

Built-in needle threader

Makes needle threading a cinch and there's no more strain on your eyes.

Automatic one-step buttonhole

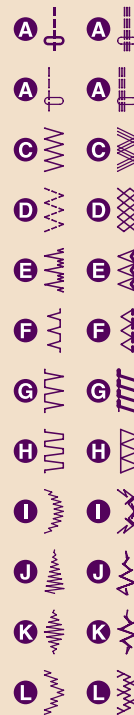

Merely set a button on the automatic buttonhole foot. The foot then sets the necessary length, and the perfect buttonhole is automatically made in one step.

Magnetic type horizontal full rotary hook

Jam-proof, magnetic, top-loading full rotary hook system that eliminates the bobbin case for convenient bobbin insertion, removal and cleaning. Thread is visible below the see-through hook cover plate.

1 One-Step

24 Stitch Choices

Convertible free arm for circular sewing

The detachable sewing table easily slides out of the way to reveal the free arm. Also handy for sleeves, cuffs and hard-to-reach areas.

Convenient one-hand thread cutter

Since threads are cut neatly, you can easily start sewing again, without the trouble of tangled threads or an unthreaded needle.

Accessory storage

Sewing accessories are conveniently stored underneath the machine.

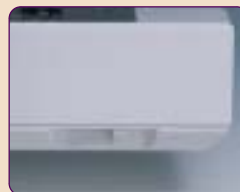

Quick foot conversion

Just press the lever to remove the foot. To attach, lower the lifter to snap it into place.

Foot pressure adjustment

By setting the foot pressure, you can sew any thickness or type of fabric, fine to thick, without puckering.

Drop feed dog

For attaching buttons, free-motion quilting, darning, etc., simply slide the lever to drop the feed dog.
